We are a Microsoft Showcase School

“The Best way to predict your Future is to create it”

Abraham Lincoln

As we begin our new academic year at “The Ashok Leyland School” I am delighted to extend a warm welcome to both our valued parents and aspiring students. As the Principal, I stand at the helm of this exceptional institution and honored to be a part of this community that values education, growth and excellence.

As a progressive educational institution, we believe education is for holistic growth of an individual and to be extended beyond textbooks, tests and boundaries of the classroom. Therefore, beyond academic knowledge, we nurture the inquisitive minds, foster creativity, build essential life skills and instill a love for lifelong learning, preparing our students for a dynamic and ever-evolving world.

Our dedicated faculty members are committed to provide top-tier education, facilitating an engaging and interactive learning environment.

Being a Microsoft showcase school, the facilitators and students are adept in technology which drives them to embrace innovation with ease. We are excited to engage and involve students with many new initiatives, project-based learning, cross-disciplinary collaboration, Global learning and experiential opportunities.

At ALS, we aim to promote inclusivity and diversity, respecting and celebrating the uniqueness of everyone. Numerous opportunities in scholastic and co-scholastic domains are unfurled before students to become future leaders, innovators and problem solvers.

Parents, as partners in this journey, we appreciate the trust you have placed in us and welcome your active involvement and collaboration in your child's education and to celebrate the success together.

Our school website will serve as a central hub for all essential information, updates and events. Please check it regularly to stay informed about school happenings and important announcements.

Please do not hesitate to reach out to our administration or faculty if you have any questions or need assistance.
